

## K9 Computation | Example Run01 | 30 Secs | June08

~ It was a sunny Cambridge day. Aplam **hopped** to Trader Joe's. It was very cold. Dogs are not allowed inside here. Pancho teleported himself to Charles River. It was moderately cold. There are long areas of soft ground that are ideal for playing in near the river. Pancho says pet me to Shirley. Aplam walked down to Under Alex's desk. It was moderately noisy. Pancho says play with me to Biraja. Aplam runs in circles aimlessly. Aplam sniff ground for left overs. Aplam runs around searching for rats. Aplam chases Garett. Aplam sits in the grass. Aplam says pet me to Garett. Garett replies back saying, sweet pooch are you enjoying your petting. Pancho starts wagging in delight. Aplam says pet me to Jenn. Aplam searches for left-over food. Aplam says pet me to Garett. Pancho walked down to Trader Joe's. It was very cold. Trader Joe's is a great place to shop, especially for prepared food. Aplam gets tied up outside the bench. He tries to guilt-trip Pancho by giving that orphaned look. Didn't work. Aplam says grrrr I hate your smell to Pancho. Pancho says grrrr I hate your smell to Aplam. Pancho teleported himself to Student Center. It was moderately stuffy. The noises in the Student Center, along with the smells, are unnerving. Pancho sniffs for food on ground. Pancho eats leftover tidbits from floor. Pancho says pet me to Jenn. Jenn replies back saying, sweet pooch are you enjoying your petting. Aplam teleported himself to 77 Staircases. It was moderately sunny. There are many people to sniff while moving down or up the stairs. Aplam lays contented at the Biraja's feet. Aplam sits with smokers but refrains from smoking. Aplam says pet me to Biraja. Aplam starts wagging in delight. Aplam says grrrr I hate your smell to Pancho. Pancho sits and gazes philosophically at cars passing by. Pancho lays contented at the Aplam's feet. Pancho says grrrr I hate your smell to Aplam. Pancho says play with me to Biraja. Pancho starts wagging in delight. Squirrels! Squirrels! I am going after them. Pancho rolls over the green... Pancho is **elated** and runs around Kilian Court barking **joyously**.

**Aplam** rolls over the green... and compulsively digs mud near tree trunks. **Aplam** says grrrr I hate your smell to **Pancho**. **Aplam** says play with me to **Biraja**. **Pancho** says play with me to **Biraja**. **Pancho** walked down to 77 Staircases. It was very windy. There are many people to sniff while moving down or up the stairs. **Pancho** is feeling pooppy but shows utter **self-control**. and compulsively digs mud near tree trunks. **Pancho** says grrrr I hate your smell to **Aplam**. **Pancho** says play with me to **Biraja**. **Aplam** ran to Room 9-268. It was very noisy. There are often territorial battles occurring in this room. **Aplam** says 'Its a dogs life...'. **Pancho** walked down to 77 Staircases. It was very noisy. There are many people to sniff while moving down or up the stairs. **Pancho** sits and gazes philosophically at cars passing by. **Pancho** starts running up and down the stairs. **Pancho** is feeling pooppy but shows utter **self-control**. **Aplam** ran to Student Center. It was very noisy. The noises in the Student Center, along with the smells, are unnerving. **Aplam** eats leftover tidbits from floor. **Aplam** gets confused by numerous persons and smells. **Aplam** ran to Room 9-268. It was very stuffy. There are often territorial battles occurring in this room. **Aplam** says 'Its a dogs life...'. **Aplam** walked down to Student Center. It was moderately stuffy. The Student Center is almost always full of people and has very strong smells wafting here and there. **Aplam** sniffs for food on ground. **Aplam** eats leftover tidbits from floor. **Aplam** says 'Its a dogs life...'. **Pancho** hopped to Student Center. It was very stuffy. The noises in the Student Center, along with the smells, are unnerving. **Pancho** eats leftover tidbits from floor. **Pancho** gets confused by numerous persons and **smells**. **Aplam** walked down to **Serengeti**. It was very sunny. The Serengeti is full of different animals, most of whom travel in packs. **Aplam** meets the wild dogs and **bitch** about how global warming and urban sprawl are **depleting** their natural **habitat**. **Aplam** feels **hungry** and decides to join his new friends for a **hunt**. **Aplam** explores the **Savannah** and stops to sniff the **rhododendrons**. **Aplam** rolls over on grass. **Aplam** runs in circles aimlessly. **Aplam** runs around searching for rats. **Pancho** ran to Room 9-268. It was very noisy. If there are two dogs in this room at the same time, there is trouble.
